PROFESSIONAL SUMMARY

.NET Full Stack Developer with 1+ year of experience in developing scalable web applications using ASP.NET Core MVC, C#, SQL Server, ADO.NET, HTML, CSS, JavaScript, AJAX, and Bootstrap. Experienced in building enterprise business applications, REST APIs, responsive user interfaces, and database-driven solutions. Strong understanding of MVC architecture, SDLC, and clean coding practices with a passion for delivering secure and maintainable software.

EDUCATION

Accurate Institute of Management and Technology , Gr. Noida

2019 – 2023

B.Tech - Computer Science and Engineering - CGPA - 7.3

Gr. Noida

G P S Inter College, Chauri Chaura

2014 - 2016

12Th (Science) - Percentage - 70

Chauri Chaura

G P S Inter College, Chauri Chaura

2012 - 2014

10Th (Science) - Percentage - 76

Chauri Chaura

EXPERIENCE

ICE Global Technologies Pvt. Ltd.

Jun 2025 – June 2026

Software Engineer (.NET Developer)

Lucknow, U.P.

- Designed and developed enterprise web applications using ASP.NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript, AJAX, and ADO.NET.
- Developed reusable modules including authentication, authorization, dashboards, reports, and CRUD operations for business applications.
- Designed and maintained SQL Server databases, optimized queries, and integrated backend services with responsive front-end interfaces.
- Worked closely with senior developers to integrate REST APIs, troubleshoot production issues, and enhance application performance.
- Participated in the complete Software Development Life Cycle (SDLC), including requirement analysis, development, testing, deployment, and maintenance.

National Institute of Electronics and Information Technology (NIELIT)

Sep 2022 – Mar 2023

Python & AI/ML Intern

Lucknow, U.P.

- Completed a 6-month internship focused on Python programming, Artificial Intelligence, and Machine Learning fundamentals.
- Worked with NumPy, Pandas, and Matplotlib for data processing, visualization, and analytical tasks.
- Developed Python-based mini projects to strengthen problem-solving and programming skills.

Codules Technologies Pvt. Ltd.

May 2022 – Aug 2022

Python Intern

Noida, India

- Completed industrial training focused on Core Python programming and object-oriented programming concepts.
- Developed console-based applications and strengthened programming fundamentals, debugging, and logical problem-solving skills.

PROJECTS

Nidhi Society Welfare Software | ASP.NET Core MVC, SQL Server, HTML, CSS, JavaScript 2026

- Developed a financial management system for Nidhi societies to manage members, savings, FD/RD accounts, loans, EMI collections, accounting, and financial reports.
- Implemented more than 15 business modules including Member Management, Loan Processing, Interest Calculation, Branch Management, Notifications, and Dashboard Analytics.
- Built secure role-based authentication for Super Admin, Branch Manager, Accountant, Loan Officer, and Collection Agent.
- Designed responsive dashboards using HTML, CSS, JavaScript, AJAX, and Bootstrap with SQL Server integration.
- Automated financial calculations, receipt generation, reporting, and member account management to improve operational efficiency.

StreamForAll | ASP.NET Core MVC, Web API, SQL Server 2025

- Developed a social communication platform supporting voice/video calling, gaming, messaging, and virtual reward management.
- Built RESTful APIs for user authentication, profile management, gaming modules, and wallet transactions.
- Integrated Angular frontend with ASP.NET Core backend and SQL Server database to deliver a responsive user experience.
- Implemented secure database design and optimized backend services for improved application performance.

Library Management System | ASP.NET Core MVC, SQL Server, HTML, CSS, JavaScript 2024

- Developed a digital library management system for managing books, members, issue/return records, and fine calculations.
- Implemented role-based authentication for Admin, Librarian, and Student with complete CRUD functionality.
- Designed reporting dashboards and optimized SQL queries for efficient book inventory management.

MyContactBook | Python, SQL, HTML, CSS 2023

- Developed a responsive contact management application with add, update, delete, and search functionality.
- Integrated SQL database for secure storage and retrieval of contact information.
- Implemented responsive UI with client-side validation using HTML, CSS, and JavaScript.

TECHNICAL SKILLS

Programming Languages: C#, SQL, JavaScript, Python

Frameworks & Technologies: ASP.NET Core MVC, ASP.NET MVC, ADO.NET, Entity Framework Core, LINQ, Web API, WinForms

Frontend: HTML5, CSS3, Bootstrap, JavaScript, jQuery, AJAX

Database: Microsoft SQL Server

Developer Tools: Visual Studio 2022, VS Code, Git, GitHub, PyCharm

Core Concepts: OOP, MVC Architecture, REST APIs, Authentication, Authorization, CRUD Operations, SDLC

CERTIFICATIONS

- C# - Udemy
- MS SQL Server - Udemy
- ASP .NET MVC, CORE - Udemy

LANGUAGES

- English: Full Proficiency.
- Hindi: First Language.
